

4th Grade Field Trip
To US SPACE + ROCKET CENTER

Date: 10-08-19

Amount \$25 Due 9-20-19 *

Pre-paid adult tickets \$13.00

Dear Boynton Parents,

This part of our instructional program we are planning a field trip to The US SPACE + ROCKET CNTR.
During the past few weeks we have studied the Solar System and we believe your child will
benefit by participating in this educational trip. (science standards E1+E2)

The trip is planned for TUES, OCT 8. We plan to leave the school around 8:15 and return
* around 6:00 pm * Busses will not be taking students home. *

We are asking your child to bring in \$25 to cover the cost of transportation, insurance,
admittance, and bus drivers. * Space Center does not allow for late reservation changes and provides no refunds. *

The due date for the permission slip and money is no later than 9-20-19

This contribution is completely voluntary and no student will be denied the opportunity to participate.
However, the field trip could be canceled due to lack of funds. Please complete and return bottom
portion of form and contribution to child teacher by the due date. If the signed permission form is not
returned by this date, your child will not be allowed to participate in the field trip. For legal reasons we
must have signed permission form. Permission may not be given over the phone. All students will ride
the bus with their class to the field trip.

Sincerely,

Jennifer Duff
